

# Wanderers look for a repeat!

**WYCOMBE WANDERERS** will be looking for a repeat of the F.A. Cup victory at Sandy Lane on September 16 tomorrow (Saturday) when the Blues take on Tooting and Mitcham at Loakes Park in the Isthmian League.

But Wanderers have a long queue of injuries to overcome before they can name their side tomorrow. Rob Williams has had the stitches removed from his leg but will not be available for another week. Derek Gambelin has pulled a hamstring, Jameson has ankle trouble and John Delaney, who was training on Tuesday, is still doubtful.

There are doubts too on Tony Amos, two goal hero at Dulwich Hamlet last week. Tony had a pulled chest muscle. All but Williams are in with a chance of playing but treatment on Thursday and Friday will tell.

Wycombe were most convincing against Aylesbury and were fortunate to end up 2-1

winners. However, it was a useful chance to experiment with the players, although midfield looked especially weak. Wanderers will certainly have to play better tomorrow if they are to take both points from up and coming Tooting and Mitcham.

Tooting are only just behind Wycombe in the table and have scored 39 goals so far this term. Leading scorers are Dave Juneman and Alan Ives with ten apiece while Alan Berrecloth has five.

Ives caused Wycombe some problems in the Cup tie at Sandy Lane but scorer of Tooting's goal on that occasion, Trevor Ford, is ruled out through injury. Mick Holifield, Larry Pritchard and Johnny Hutchinson scored Wycombe's goals.

Two new signings have been made at Sandy Lane recently, Tony Copin from Bromley and Billy Smith from Barking. Their results recently include a 1-0 triumph at Walthamstow, a goalless draw at Bishop's Stortford and a 3-0 win over Hitchin.

**TOOTING** (probable team): Cobb, Smith, Sheehan, Hill, Green, Berrecloth, Wareing, Francis, Copin, Ives, Juneman, Barratt.
